NOVA SCOTIA

Nova Scotia, Canada is making waves.

We are home to the highest number of ocean tech companies in Canada. We are leading the research and commercial development of advanced ocean technologies. Come find out why.

Drop by our booth or visit
deepdivens.ca

The background of the advertisement is a photograph of the Providence skyline at dusk. The city's lights are reflected in the water of the Providence River. In the foreground, a walkway with a railing runs along the river, and several people can be seen walking. The overall tone is serene and modern.

**RHODE
ISLAND**
COMMERCE

WE ARE REDEFINING THE **IDEAL LIVE,** **WORK, AND PLAY** DESTINATION.

Our abundant natural resources, rich history and thriving cultural scenes, and robust business ecosystem make Rhode Island the optimal place to live, work, and play. Grow your ideas, your business, or your family in an idyllic Northeast location where innovation, diversity and community thrive. **How will you embrace Rhode Island's ocean of opportunities?**

The Ocean State has a resilient spirit, rising like the tide to new challenges. From finance to food services, Rhode Island's business-friendly climate and state support programs help companies of all sizes, across all sectors, grow and succeed. We root for our local companies' success and have seen firsthand the positive impact Ocean State innovators have on local, national and global economies.
